Instructor: Dr. Eric C. Ferré  
Office hours:  
Monday: 10.00-11.00 am, 12.00-01.00 pm  
Wednesday: 10.00-11.00 am, 12.00-01.00 pm  
Friday: 10.00-11.00 am, 12.00-01.00 pm  
and by appointment  
room: Parkinson 301B  
MC4324  
Phone: (618) 453-7368  
E-mail: eferre@geo.siu.edu

Classes:  
Classes will be on TBA after class meeting on 01/30/2015.

Requirements:  
Successful completion of GEOL451 "Field Experience in Geology" requires a working knowledge of Structural Geology and Petrology.  
- **Lectures**: The three lectures are in preparation for field mapping.  
- **Class attendance**: Attendance for the full duration of all lectures and field work is both expected and required. It is essential for success in this course.  
- **Reading assignments**: It is essential that reading assignments are completed BEFORE the material is discussed in class.  
- **Academic honesty**: Any form of academic dishonesty will result in a zero for that assignment, quiz, exam, as well as possible disciplinary action. See your student handbook for guidelines.  
- **How to get a good grade in GEOL451?**  
  - attendance at all lectures and field trip(s)  
  - completion of reading and problem assignments on time  
  - thorough completion of all assignments on time

Grading:  
All graded material should be labeled with your name, student ID number and date.  
The two mapping assignments carry respectively 50 and 50% of the grade.

Course Content and Objectives:  
GEOL451 Field experience in Geology is a course for Geology Majors aimed at investigating fault rocks and faulting processes in the Santa Rosa Mountains near Palm Desert, CA.  

Emergency Procedures. Southern Illinois University Carbondale is committed to providing a safe and healthy environment for study and work. Because some health and safety circumstances are beyond our control, we ask that you become familiar with the SIUC Emergency Response Plan and Building Emergency Response Team (BERT) program. Emergency response information is available on posters in buildings on campus, available on BERT’s website at [http://www.bert.siu.edu](http://www.bert.siu.edu) Department of Safety’s website [http://www.dps.siu.edu/](http://www.dps.siu.edu/) (disaster drop down) and in Emergency Response Guideline pamphlet. Know how to respond to each type of emergency.

Instructors will provide guidance and direction to students in the classroom in the event of an emergency affecting your location. **It is important that you follow these instructions and stay with your instructor during an evacuation or sheltering emergency.** The Building Emergency Response Team will provide assistance to your instructor in evacuating the building or sheltering within the facility.
